

■ Money Bright – Your Financial Education Platform

Truliant Federal Credit Union is proud to offer Money Bright, a financial education platform. Money Bright meets you where you are on your financial journey, providing tailored support every step of the way.

With a personalized account, you have access to a variety of tools, tips, and resources to help you manage your money more effectively. And content changes weekly, so there's always something new to explore!

Tools and Resources:

- **Self-paced online courses** that allow you to learn at your own pace, anytime, anywhere.
- **Interactive calculators** designed to assist in key financial decisions, including: buying a car, financing higher education, purchasing a home, saving for retirement, managing debt, and more.
- **Monthly budget and tracking tools** to help you take control of your spending and stay on track financially.
- **Assessments** to evaluate financial health, assess identity theft risk, and reflect on personal financial values.
- **Checklists and goal-setting exercises** with customizable reminders that can be added directly to personal calendars for easy tracking.

Build your portfolio of achievements – and easily share it with family, friends, or on social media!
