## Your Vision, Your Benefits

Welcome to your new vision plan. We make benefits easy to understand and simple to use. Let's get started!

### A Plan Built Just for You

#### Your provider is your choice

Need help finding a provider near you? Simply, visit [superiorvision.com](https://superiorvision.com) and select the "Locate Provider" tool. It lists all in-network providers and includes the services that each offers.

Want to visit an out-of-network provider? No problem. After your visit, send us a member reimbursement claim form, along with a detailed receipt to receive the applicable out-of-network reimbursement outlined in your Schedule of Benefits.

#### Benefits that are easy to understand and simple to use

Check your Schedule of Benefits to find detailed information on the services covered by your specific plan. You can also log in at [superiorvision.com/member](https://superiorvision.com/member) to view your eligibility and benefits.

#### Access benefits wherever you are

Download our mobile app today to locate a provider, view your vision benefits or access your member ID card, all on the go! Our app is available for Android and iOS devices.

#### Flexibility that provides options

You choose how you'd like to use your benefit. Go to one provider for an eye exam and another provider for the eyewear. We leave that choice up to you.
